

*“ ATERAS  
eliminated  
Software AG tools  
and Databases  
from our  
environment  
without impacting  
our end-user  
community and  
reduced our  
operating costs.”*

*— IT Director*

### Objective

- Convert Adabas Natural applications to C# .NET and SQL Server
- Eliminate Software AG tools
- Eliminate the mainframe
- Limit end-user impact

### Solution

- Adabas to SQL Server
- Natural to C#
- Converted 119 Database Files
- Converted 2648 Natural Maps
- Converted 3998 Natural programs
- Converted 6258 Job Streams
  
- Conversion complete
- No more mainframe processing
